**Call for Roster**

Kailash Sacred Landscape Conservation and Development Initiative, Nepal is a collaborative programme of Ministry of Forests and Environment, ICIMOD and RECAST. After successful accomplishment of first phase (2017-2020) of the programme, we are going to implement the activities of the second phase. We seek part time individuals who may have expertise in following areas:

1. Preparation of manuscript on "Handbook on flora of KSL-Nepal"
2. Conduct and document process for extraction and purification of oils from NTFPs (Wild apricot, Soapnut and Nepali pepper)
3. Design and develop one prototype of technology for oil extraction (Wild apricot)
4. Conduct research on use and trade potential of priority NTFPs oils (Wild apricot, Soapnut and Nepali pepper)

Qualification: Masters/PhD in related discipline. However, experienced individual with Diploma in engineering is eligible for point 3.

Priority will be given to experienced persons.

Interested individuals can send their biodata to:
